

2012 Tree & Shrub Sale Order Form

Order deadline: April 23

Order trees and shrubs on this form, online at www.lakevillemn.gov or call 952-985-4600

Now through April 23, you may order bare root (not potted) trees and potted shrubs. *Residents may also want to consider purchasing one or more American Sentry Linden tree(s) as a donation to a City park.* All prices reflect an estimated savings of 25-50% off retail prices. There are a limited number of trees and shrubs available, so orders will be processed on a first-come, first-served prepaid basis. While the City assures that these items come from reputable nurseries, it does not extend a warranty for replacement.

Purchasers will be notified by mail or email confirming which trees and shrubs are reserved for them. To avoid long lines, purchasers will be **assigned a specific pick-up time on Saturday, April 28 only, between 8 and 11 a.m.** at the Central Maintenance Facility, 7570 179th St. W. Those unable to pick up trees and shrubs on April 28 should not apply—this is the only available day for pick-up.

Always remember to call Gopher State One Call two full days before you dig 651-454-0002.

For more information, call Park Maintenance at 952-985-2712.
